

Practices:

Practices start next week (Monday April, 4th). Just arrive at the gym and we will designate a space for your team. Please remember cleats are not allowed in the gym although you may use them if your team practices outside. For games and practices in the gym, any non-marking shoes are fine.

The next two weeks are going to be practices only. **Please check the team lists attached to see your teams practice time.**

Practices will be held in the gym, on the basketball courts and on the field. We will rotate so all teams get to use different spaces.

Shin guards are encouraged but not required.

No practices will be held on Memorial Day (Monday, May 30th).

Coaches:

Thanks to those who have offered to coach. **We still really need two coaches in league 1 for Team 5 and Team 6.** Currently scheduled to practice in the gym Fridays at 5pm however you can change this as coach.

If we do not have coaches for these teams by next Friday club staff will hold practices until we find one. Practices will go ahead.

Games:

Game schedules will be released next week. Games will start the week of April 18th.

League 1 will play on Tuesdays

League 2 will play on Wednesdays

League 3 will play on Thursdays

To see what league your child is in please open attached team lists. In general 1 is the youngest, 3 is the oldest but leagues are divided by age, friends, skill rating, coaches etc. to try create as even teams as possible.

Games will be played in the gym. Each team will play a maximum of one game during the season at the Westside Boys & Girls Club, located at **602 W.Anapamu St, Santa Barbara**. All other games will be at the Goleta Club location. Please check schedules carefully to ensure you turn up at the correct club.

Uniforms:

Jerseys have been ordered and will be handed out at each team's FIRST GAME.

Photos & Tournament:

Team photos are tentatively planned for Saturday, May 7th at the Goleta Club. We hope to hold a one-day tournament this day and all-teams will be involved. This may still change and more information to follow.

Early June we are also planning an all-star tournament with the best from each Boys & Girls Club (Carpinteria, Goleta, SB Westside).

Updates:

Please check our website:

<http://unitedboysandgirls.wix.com/goletaathletics>

Or the sports noticeboard outside of the gym for standings, updates and rules.
